Our Starting Point

What is business travel?

What is the function of business travel?

Who are your travellers, and when do they start travelling on business?

Government Actions

- **Sustainable Procurement**
- **Defra led Civil Service Travel Group**
- **Government Estate: Travel Targets**
 - Carbon footprint all business travel activity
 - Reduce administrative vehicle emissions by 15% by 2010/11
 - Administrative fleet weighted average of 130g/km by 2010
 - Offset all official air travel
- **Private Sector Engagement**
 - Institute of Travel Management: Project Icarus - www.itm.org.uk
 - Association of Corporate Travel Executives - www.acte.org

Adapt and Mitigate
